## **AMERICA CABLE SYSTEMS ZONE WIRING SYSTEM COMPONENT WARRANTY**

America Cable Systems Twenty (20) Year Warranty for its zone cabling distribution system covers connectivity components and cable for installation in a registered system using ACS Partner connecting hardware.

The warranty is a "pass-through" from ACS' product partners. Under the warranty, all connectivity and cable components are warranted to be free from defects in material for a period of twenty (20) years from date of shipment. This twenty (20) year channel link warranty must be pre-registered and all procedures must be in accordance with ACS guidelines in order to register.

Certain restrictions may apply. Seller's sole liability under these warranties shall be limited to issuance of credit for or repair or replacement of any goods deemed warranted. America Cable Systems shall not reimburse or make allowance for any labor charges incurred by buyer for replacement and/or repair unless such charges are authorized in writing by America Cable Systems before commencement of said work.

Transfer of warranty from original buyer to succeeding ownership shall require notice, in writing, of such transfer, within 15 days of said transfer.

America Cable System's warranties shall not apply to any goods or parts there of which have been subjected to any misuse, exposure to weather, accidental damage or improper installation. Further, the warranties shall not extend to any goods or parts thereof, which are obtained from manufacturers other than America Cable Systems.
