AFC CABLE PRODUCTS SAFETY DATA SHEET (SDS) & CALIFORNIA PROP 65

To Whom It May Concern:

Safety Data Sheets (SDS) are not provided for the attached list of products because these products are considered to be an "article" under the OSHA Hazard Communication Standard (HSC), 29 CFR 1910.1200.

This standard has an exemption for articles. To be considered as an article, the product has to be a manufactured item meeting the following criteria:

- During manufacture, the article must be formed to a specific shape or design
- The end-use functions are dependent in whole or in part on its shape or design and
- The product does not release or result in exposure to a hazardous chemical under normal conditions of use.

Products covered by this letter are not considered to be or to contain hazardous chemicals based on evaluations made by our company under the OSHA Hazard Communication Standard, 29 CFR 1910.1200. However, if your intent is to further process the product, please contact us so we can address that issue.

For more information, please refer to the following website:

<https://www.osha.gov/Publications/OSHA3514.html>

 **WARNING** Use caution and adequate ventilation. Cutting, welding and any hot work performed on the attached list of products may potentially expose you to chemicals including [Chromium (hexavalent compounds)], which are known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

Very truly yours,

Ruth Ensing
